### LETTER OF RETIREMENT

December 31, 2022

Dear Patients and Parents,

After 40 years of practicing pediatrics, I have decided to retire on June 30, 2023, from my practice.

At this time, the pediatricians at Unionville Children's Clinic have very full practice and, therefore, will not be able to take on my patients. Please make arrangement for your child's care to other pediatrician/family physician, and the office staff will be available to help you transfer the medical records once your written consent is received. Please note that additional cost above the normal transfer fee will be incurred by this clinic for medical record transfer after September 1, 2023.

I plan to continue to be available on a limited basis to patients until December 2023.

I have very much enjoyed being your pediatrician, and I wish you and your family the very best of health and blessings in the future.

Sincerely,

Ho Yin Lau
